

BRAHIM BOHROUZ

IT SUPPORT TECHNICIAN / SYSTEMS & NETWORKS ADMINISTRATOR

brahimbohrouz82@gmail.com | +212 672 833 554 | Casablanca / Meknes, Morocco | brahim-bohrouz.github.io

PROFILE

Network & Systems Specialist graduated in Digital Infrastructure, with solid experience in IT support, server administration, and IT infrastructure management at Groupe IQRAE and Yazaki. Versatile, autonomous, and dedicated to business continuity and user satisfaction.

PROFESSIONAL EXPERIENCE

IT Support Technician — Groupe IQRAE (Full-time) Sept. 2026 – Present

- User assistance and technical support, resolving hardware and software incidents.
- Server administration and maintenance, security monitoring, and network infrastructure management.
- Management of IT systems and monitoring of IT operations to ensure service continuity.

IT Technician (IT Support Internship) — Yazaki Morocco April 2026 – August 2026

- Technical support for industrial equipment and production-related systems in a plant environment.
- Local network management (LAN/Wi-Fi), printers, IP phones, and SAP ERP business software assistance.
- Data processing and reporting using Microsoft Excel (VLOOKUP, Pivot Tables).

Final Year Internship - Network Administration — Provincial Directorate of Sefrou May 2025 – June 2025

- Deployment, configuration, and security hardening of an Ubuntu Proxy server for web filtering and traffic logging.

ACADEMIC & TECHNICAL PROJECTS

Virtual Network Infrastructure & System Administration

- Deployment and configuration on Ubuntu Server 24.04 LTS & Cisco Architecture: DNS, DHCP, SSH, Apache2, Samba, VLANs, OSPF, NAT, ACLs (GNS3 / VMware).

Network Monitoring with Zabbix

- Zabbix deployment on Debian, implementation of real-time monitoring, email alerting, and performance graph generation.

Proxy Server & Web Security

- Network filtering solution under Ubuntu/Squid to secure web access and analyze network traffic logs.

EDUCATION

Specialized Technician Diploma (DTS) in Digital Infrastructure (Systems & Networks) — ISTA Sefrou 2023 – 2025
